Nissan Forklift

Nissan Forklift Training Burlington - Nissan Motor Co. Ltd prides itself on attaining complete consumer contentment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and meticulous quality values to their clients. Incorporating a fruitful heritage combined with solid manufacturing principals, Nissan Forklifts supply some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to keep up with worldwide lift truck demands. Committed to offering customer support, the business has four distinct production facilities that permit them to constantly adapt to their clients continually evolving desires by providing an assortment of innovative ideas and designs.

The Nissan Lift truck North and South American base is located in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing systems that diminish the worldwide effect of their goods and processes. These high standards remind consumers that Nissan operates under the quality seal that their consumers command whilst being an environmentally conscious organization.

Nissan is confident that they will be able to address any customer queries or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community endorsed dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
